Never heard about us?

Specialist

in agricultural insurance since 1990.

Innovation driver

One innovation in agricultural insurance each year.

Family

business. Owner managed from the first day.

Market leader

Every fourth agricultural cooperative or company in Germany is insured by us.

Weather is their biggest risk.

And our challenge.

We did it.

We established the first tailor made crop index insurance for farmers in Germany.

www.die-wetterversicherung.de

The Toolkit

to bring index insurance the next level.

Gamification

Data analysis and visualization
