About the SME Finance Forum

Bringing together the brightest minds from the public and private sectors, the SME Finance Forum works to expand access to finance for small and medium businesses. The Forum operates a global membership network made up of financial institutions, technology companies, and development finance institutions to share knowledge, spur innovation, and promote the growth of SMEs. The SME Finance Forum was established in 2012 by the G20, and is managed by the International Finance Corporation (IFC).
