

The image is a composite of two scenes. On the left, a woman with blonde hair and glasses is smiling while operating a sewing machine. On the right, a man with a beard and glasses, wearing a white chef's coat, is focused on using a heat gun to work on a clear plastic tray. The entire image has a warm, orange-toned overlay. In the center, the text 'edu K' is displayed in white, with 'edu' in a lowercase sans-serif font and 'K' in a bold, uppercase sans-serif font inside a white rounded square. Two horizontal white lines are positioned above and below the 'K' logo.

We are a station!

A wide-angle photograph of a long, brightly lit hallway with a light-colored tiled floor. The walls are covered in various graffiti and murals, including abstract patterns and stylized figures. On the left, there is a wooden bench and a doorway leading to a brighter area. On the right, there are several doors in different colors (yellow, blue, red). The ceiling has exposed pipes and fluorescent lighting. A large, semi-transparent orange rectangle is overlaid in the center of the image, containing the text '10 studios' in white.
