REASON FOR TODAY'S CALL:

Bathroom sink monster is back....sink draining slowly. Also wanted to get kitchen sink and bathroom tub monsters checked out. Garburator sink thingy in kitchen is not making any sounds so i think it is dead and would like it removed so i can have a normal sink again. Thanks!!

DESCRIPTION OF WORK PERFORMED:

-I was able to unjam the garburator and left a garburator key and showed Rachel how to use it. -I pulled gunk out of the top of the lavatory drain and tested by filling and draining the sink multiple times. I also filled the tub 6? and drained.
