REASON FOR TODAY'S CALL:

Kitchen sink is leaking - source unknown. While you're in please also assess the garburator and remove it if advisable. Please contact the tenant (Aylin) at 604-404-9561 if needed to confirm the time and to gain access to the suite. Thanks!

DESCRIPTION OF WORK PERFORMED:

The garburator was leaking right through the bottom of the unit and could not be repaired. I replaced the garburator with a new Badger5 and tested by filling and draining both sides of the sink multiple times while running the garburator.
