REASON FOR TODAY'S CALL:  
 -replace garburator ---call Kenny when you are on your way

DESCRIPTION OF WORK PERFORMED:  
 -replaced garburator with Badger5.

TECHNICIAN RECOMMENDATIONS:  
 -we made a visit to this unit on the 12th of August and the problem seemed to have been resolved without having to replace the unit. since the garburator jammed up again so soon after our visit we decided it would be best to replace it as there may be something wrong internally which would be causing the frequent problems. we have given an \$89 discount off of this install to help offset most of the cost of the last visit.
