REASON FOR TODAY'S CALL:
 -clogged toilet

DESCRIPTION OF WORK PERFORMED:
 Oct3---cleared toilet with auger. Flushed TP to ensure proper operation. Oct16---toilet was full of waste. i put our auger in toilet and could feel a blockage once handle on auger was fully down toilet let go...Steve from the office was with me the entire time. i noticed paper towel on top of the toilet, let Steve know if paper towel is there 9 times out of 10 it will be flushed. Steve inquired as to where a toilet auger could be purchased i let him know home depot does sell them.... Did the paper test and toilet drained fine.

TECHNICIAN RECOMMENDATIONS:
 we are not charging for the second visit but we generally do not warranty toilet blockages as we can't stop people from flushing things that should not be flushed i.e.; paper towel.
