REASON FOR TODAY'S CALL:

"There is a very unpleasant smell coming out of my toilet. This has been an issue for the past weeks, and the smell has gotten worse. The toilet is clean and is being cleaned regularly. I don't see anything wrong with it. The water is running without problems and there is no problem with the tank."

DESCRIPTION OF WORK PERFORMED:

I lifted the toilet and found that there was some seepage from the wax seal but not much. I cleaned the floor under the toilet, re-set the toilet with a wax seal, and siliconed.

TECHNICIAN RECOMMENDATIONS:

If the smell persists it is possible it may be coming from the ceiling fan above the toilet.
