REASON FOR TODAY'S CALL:

Garburator making noise, reported by unit #608, advised by strata that they have had reports of some garburators being installed incorrectly.

DESCRIPTION OF WORK PERFORMED:

I tested the garburator with and without food, it is functioning normally and seems to be making no more noise than normal. The tenants recently bought a juicer which may be what the tenants downstairs are hearing. In any case, all is in good working order.
