REASON FOR TODAY'S CALL:
 "I need to have a waste King 111 garburator replaced with an Insinkerator evolution"

DESCRIPTION OF WORK PERFORMED:
 I arrived in the am and partially installed the garburator before realizing it was missing the drain connector gasket. Brent brought the garburator back to Home Depot, exchanged with new, and I returned in the afternoon, installed the garburator and replaced a portion of the ABS drainage to accommodate the new garburator. Tested by filling and draining both sides of the sink.
