REASON FOR TODAY'S CALL:

"Hi there, I was in touch in January regarding a leaky faucet in our tub. I sent you photos then so hopefully you still have them. Let me know if I need to resend them. You had advised me to contact Danze customer support to get the cartridges needed. They sent us a diverter cartridge and a mixing cartridge. Now we just need help installing them :). My husband needs to leave for work by 10:00 a.m. so if you think it could be done within an hour, or if you were able to be here by 8:30 a.m. on Monday, March 2nd, that would be our first choice. Otherwise, I can make it home by 4:00 on Thursday Feb. 26th, but can't really get home any earlier"

DESCRIPTION OF WORK PERFORMED:

Installed customer supplied mixing cartridge and diverter spool in master ensuite bathroom.
