REASON FOR TODAY'S CALL:

Kitchen faucet loose Shower handle loose Lavatory faucet sprays to right Kitchen sink drains slow **-if we can simply re-tighten the kitchen faucet to the sink this can be done free of charge while onsite. -unfortunately we cannot shorten the spray hose. -we can replace the tub drain with a new lift & turn style drain for \$159+GST -if the shower valve handle can be re-secured by making and adjustment this will be done free of charge while onsite. -we don't do re-caulking but these guys do:) -we can try replacing the aerator of the lavatory faucet that sprays to the right. \$10+GST -each drain that requires the use of our PowerSpin drain snake while on site will be \$50+GST -unfortunately we do not provide gas services any longer.

DESCRIPTION OF WORK PERFORMED:

-I replaced the tub drain with a new lift & turn style drain. -I replaced the lavatory faucet aerator. -The screw in the handle just barely meets the cartridge it attaches to and the threads are stripped. A new, longer screw will have to be found and installed. -I re-secured the kitchen faucet to the countertop. This type of faucet(Moen) has only one threaded nut to secure it to the countertop. This nut loosens up over time and will likely loosen up again in the future. -I used the PowerSpin drain snake to clean the kitchen sink drain. Tested by filling and draining the sink.

| QTY. | CODE | DESCRIPTION | UNIT PRICE | PRICE |
|------|------|-----------------------------------|------------|----------|
| 1 | | Replace Tub Drain Trim - Standard | \$159.00 | \$159.00 |
| 1 | | 15/16 M Aerator | \$10.00 | \$10.00 |
| 1 | | PowerSpin - ADD-ON PRICING | \$50.00 | \$50.00 |
