REASON FOR TODAY'S CALL:

Our tenants have mentioned that the bathroom tub and sink clog easily and is slow to drain. They have repeatedly used Draino to help ease the situation, although the problem seems to return.

DESCRIPTION OF WORK PERFORMED:

I cleaned the lavatory drain with the PowerSpin drain snake and tested by filling and draining the sink multiple times. I also ran the drain snake through the tub drain and tested by filling the tub 10" and draining.
