REASON FOR TODAY'S CALL:
 Kitchen sinks weren't draining, and running garbage disposal would push water up through other sink. Drained everything, removed piping and found no clogs. Looked down into copper pipe which goes below apartment floor. We can see water sitting there, not draining. Would love a quote and to have you out for service! Thanks so much, Andrew *our price to clean a kitchen sink drain with our PowerSpin drain snake is \$159+GST

DESCRIPTION OF WORK PERFORMED:
 I cleaned the kitchen sink drain using our PowerSpin drain snake and tested by filling and draining both sides of the sink multiple times. Nothing was pulled out of the drain, whatever caused the blockage was broken up and flushed through the drain.
