REASON FOR TODAY'S CALL:
 I need 2 shower heads to be replaced. The bar has been installed. *call mobile for entry: 604-505-2948

DESCRIPTION OF WORK PERFORMED:
 -I installed the new shower spray hose and head in the guest bathroom and tested. -After removing the shower head and brass nipple from the master bathroom shower I noticed that the wingback 90 behind the tile is cracked. Unfortunately this will have to be replaced before the new spray hose and head can be installed.

TECHNICIAN RECOMMENDATIONS:
 I suggested calling Montalbano for the replacement of the fitting in the master bathroom shower as we are currently only able to take on short service calls. (Montalbano Plumbing: 604.444.0222)
