REASON FOR TODAY'S CALL:
 the half bathroom on the main floor toilet need to be fixed

DESCRIPTION OF WORK PERFORMED:
 I tested the toilet by flushing large rolled up balls of toilet paper and it appears to be flushing fine with no signs of leaking. I did however notice that the tank to bowl gasket is worn out. Given the age of the toilet I would strongly suggest replacement over repair. Sean mentioned while onsite that the flooring is going to be redone soon, I mentioned that he could wait until this time but to keep an eye on the toilet and shut the water supply off at the first sign of any leaking.
