REASON FOR TODAY'S CALL:
 Need to replace a kitchen faucet. Currently have a Paini faucet and will be replacing it with a Grohe. I sent a quote request on July 29th.

DESCRIPTION OF WORK PERFORMED:
 I installed the customer supplied faucet and tested. During testing I noticed that there is something within the faucet body that is catching on the spray hose as it is being pulled out or placed back in. The owner has spoken to Cantu and they are sending out a replacement faucet.
