**REASON FOR TODAY'S CALL:**

I have a 7 year old insinkerator Badger 1/2 HP garburator and the plastic housing has cracked, leaking water into our cabinetry. I have purchased the new model (Badger 5xp 3/4hp) so all hook ups and sink traps are the same, but I need to have it installed please.

**DESCRIPTION OF WORK PERFORMED:**

I installed the customer supplied garburator and tested by filling and draining the sink multiple times while running the garburator.
