REASON FOR TODAY'S CALL:  
leak noticed hardwood flooring

DESCRIPTION OF WORK PERFORMED:

I removed the kick plate to the dishwasher and ran it through a few short fill & drain cycles but saw no sign of leakage. During testing I was informed that the building manager made a visit to the unit earlier in the day and stated that he has run into this issue in another unit which turned out to be water leaking through the grouting. Daryoush is going to contact a restoration company who will be able to assess the extent of the damage once the walls are opened.
