REASON FOR TODAY'S CALL:
replace toilet

DESCRIPTION OF WORK PERFORMED:

---June1: I received an email at the end of the day letting me know that the toilet was clogged again. I called Abdul and tried to walk him through how to use the plunger to clear the toilet but he was adamant about me making a visit. I arrived at 6:30pm and used his plunger to easily clear the excrement clogging the toilet. I showed Abdul how to use the toilet plunger to clear a blockage if one were to occur before we hear back from the owners regarding a replacement. ---June5: I Supplied and installed a new Kohler 2 piece toilet and disposed of the old. -I used the PowerSpin drain snake to clear the lavatory sink drain blockage.
