REASON FOR TODAY'S CALL:
 Garbage disposal hums very quietly but will not turn on *The keys will be with the concierge located around the corner at 1495 Richards Street. My number is 778.871.0569 if you need anything.

DESCRIPTION OF WORK PERFORMED:
 I was able to unjam the garburator and tested by filling and draining the sink while running the garburator. I removed a small red piece of plastic(left on a piece of paper towel just next to the sink).

TECHNICIAN RECOMMENDATIONS:
 I suggest that the garburator be run periodically to ensure rust doesn't have a chance to form up.
