REASON FOR TODAY'S CALL:

We have had a leak come through the closet adjacent to the second bathroom. Belfor Restoration is coming on Sept. 26 to shut off water and demolition begins Sept. 27. They have asked that we get our plumber to do an exploratory beforehand and repair / reconnect after.

DESCRIPTION OF WORK PERFORMED:

I cut an access in the closet wall behind/next to the second bedroom ensuite tub. I could see moisture on the concrete floor but no sign of dripping up higher. I ran the tub faucet for 5 minutes with no sign of leaking. I then ran the shower and after a few minutes could see water seeping through between the lip of the tub and the tile.
