**REASON FOR TODAY'S CALL:**

Various minor issues in multiple bathrooms: Master bath toilet loose Toilet seats in all 3 bathrooms loose. Fix shower door.

**DESCRIPTION OF WORK PERFORMED:**

-I resecured all 3 toilets seats. -The master ensuite toilet was loose. I removed the toilet and reinstalled with a new wax ring and supply line. Tested and in good working order.

**TECHNICIAN RECOMMENDATIONS:**

I was able to reattach the shower door in the master ensuite but if it comes off the rails again I would strongly suggest having a technician in from a company that installs and services shower enclosures as we do not.
