REASON FOR TODAY'S CALL:
 To replace the 2 water hoses on our washer to a heavy duty hoses

DESCRIPTION OF WORK PERFORMED:
 I used the Airlsled to move the laundry machines out of the closet, replaced the Hot & Cold supply lines with braided stainless steel hoses and moved the machines back into the closet. The dryer duct was barely held on by a piece of tape and had a few spots with holes. I returned in the afternoon with a new dryer duct hose, installed it, and moved the machine back into place.
