REASON FOR TODAY'S CALL:
 Replace dishwasher drain hose extension

DESCRIPTION OF WORK PERFORMED:
 I made a visit and found that the corrugated dishwasher drain hose had been cut by the previous tech who inspected the machine. Unfortunately I do not know of a coupling that can properly adapt to this hose now that it has been cut. I spoke with John Lucas of Lucas Appliance and he said the hose will have to be ordered from the manufacturer and replaced. Farhad said he would try one more time to have the technician who cut the hose replace it, if this fails he will contact John Lucas and provide the details necessary to place the order for the new hose.
