REASON FOR TODAY'S CALL:
 The sink in the kitchen is dripping. Please call the landlord Juanita Lohmeyer at 604.317.0700 to confirm before any work is done.

DESCRIPTION OF WORK PERFORMED:
 The leak was coming from the casing of the water filter(right side). I also noticed that the filtered water tap was installed too far away from the sink. If the cartridge within this tap was ever to fail it would leak onto the counter instead of in the sink. I disconnected the water filtration system for now. When Juanita is back from vacation she can decide how she would like to proceed.
